MEMORANDUM FOR: Director of Security

SUBJECT : Visit of BBC Officials

1. Mr. Tangye Leon, Assistant Director, External Services, and Mr. John T. Campbell, Head, Monitoring Service, both officers of the British Broadcasting Corporation, will arrive in Washington on 14 or 15 March 1955 to participate in the FBIS-BBC Joint Coordinating Committee Meeting. This meeting is held annually, the place of meeting alternating between Caversham Park, England and Washington.

STAT

2. No classified matters not directly connected with the activities of the two monitoring services and relating to the coordination and exchange of material under the reciprocal arrangement will be discussed; nor will the visitors have access to non-related classified material. The Assistant Director for Operations will preside at the Joint Meeting which will be attended by [redacted], Deputy Assistant Director for Operations, and [redacted] of FBID, as well as the visitors. Conversations and meetings will extend over the balance of the week ending 19 March.

STAT

3. While in Washington either or both visitors may be taken to the FBID station in Hedgesock, Maryland. On 20 March, Mr. Campbell will leave Washington with [redacted] and visit the FBID station at Santa Rosa, California.

STAT

4. Clearance for these visitors is requested and it is hoped that special badges for Quarters Eye, valid only when accompanied by a holder of a regular badge, can be issued to them immediately on their arrival.
